## WELCOME TO THE HOME OF THE JUNGLE BIRD

6 July 1973 marked the birth of the Jungle Bird in its habitat the former Kuala Lumpur Hilton's (known now as Hilton Kuala Lumpur) Aviary Bar on Jalan Sultan Ismail. This classic cocktail was the brainchild of Jeffrey Ong Swee Teik, the Beverage Manager, who was tasked with creating a welcome drink for hotel guests. The original recipe circa 1973 combines a medley of Jamaican rum, Campari, fresh lime, and pineapple juice with simple syrup for an irresistibly fresh concoction.

The Jungle Bird gained international acclaim when it was first listed on John J. Poister's 1989 The New American Bartender's Guide. Since then, the cocktail can be found on cocktail bar menus around the world and has several bars named after it, both within Asia and the world.

All prices quoted in Ringgit Malaysia are inclusive of 10% service charge and 6% service tax.
